

# Society of Fetal Medicine (SFM)

C 584, Defence Colony, New Delhi-110024. India

## **Trade Invitation for SFM-ISUOG Fetal Growth World Congress, Gurgaon, DelhiNCR, India**

Dear Colleagues,

Society of Fetal Medicine (SFM) in association with the International Society of Ultrasound in Obstetrics and Gynecology (ISUOG) is organizing the SFM-ISUOG Fetal Growth World Congress at the The Leela Ambience Gurugram Hotel, Delhi NCR, India from April 10-12, 2020.

It is with great pleasure that we invite you to be a trade partner at this meet. We will commence on the first day with live & video workshops, techniques and protocols for fetal growth evaluation. The second & third day move deeply into ultrasound evaluation of fetal growth, differential diagnosis & norms, fetal growth restriction, ultrasound diagnosis & management.

This meeting allows you to target your market audience face-to-face. You will gain exposure to over 500 highly educated experts who are prime clients with significant purchasing power. These attendees expect to see companies like yours showcasing your products and services.

As was evident in the past conferences of the Society of Fetal Medicine, these experts frequently make large spot purchasing decisions.

Exhibiting provides tremendous benefits to participating industry. The tariff, as always, is structured in levels so that you may participate at the level most beneficial to your company.

Options	Sponsorship Opportunity	Price
	<b>Variably sized stalls in the exhibition area</b>	
1	Premium Plus Stall   Size – 8m X 2m	Rs. 12 Lakhs + GST

**As has been our trademark, teas, coffees and lunches will be served confluent with the trade area to allow optimal interaction of trade and delegates during beverage and lunch breaks.**

The Society of Fetal Medicine (SFM) as you know by now, is a global forum of Indian origin that envisions offering every fetus an optimal outcome. The society has been steadily pursuing its mission of opening minds to fetal healthcare needs and continues to be an evolving multidisciplinary organization. The primary objectives are to promote and expand education in ultrasound, fetal healthcare & genetics and to facilitate rapid translation of research findings into clinical application.

We are a multidisciplinary organization with members from the fields of radiology, genetics, obstetrics, fetal medicine, ultrasound, pediatrics, pediatric surgery, neonatology, pediatric cardiology, laboratory medicine, laboratory technology, infertility, community medicine, medical statistics, medical ethics, social work and psychology.

Please call or email us to discuss your involvement. Trade partnerships are coordinated by Vishal Mittal at +91 9312227181.

Further information about the conference can be obtained at [www.sfmisug.org](http://www.sfmisug.org)

Regards,

Ashok Khurana  
President, Society of Fetal Medicine
